

Title: Database Administrator

Location: Huntsville, AL

Position Status: Full Time Part Time

Work Schedule:

Regular hours are Monday - Friday between the hours of 7:00 am - 5:00 pm. Employees may need to adjust work hours to meet customer missions and during surge situations.

Brief Job Description:

Our firm needs a reliable Database Administrator to join our team. We're looking for a college graduate with journey-level skills and a desire to expand his or her skill set and experience. The ideal candidate will be able to function effectively with limited oversight and moderate on-site training. He or she should understand the importance of database integrity in terms of both efficiency and security. Our team includes some of the brightest minds in the industry and we hope to add you to our roster. We offer excellent benefits and a competitive salary as well as paid sick time and vacation.

Duties and Responsibilities:

Provides essential database administration support while working closely with Company Leadership and Program Management, Information Assurance, software development team, analysis groups, and end-users to understand and implement requirements necessary to T&W Operations activities.

Database Administrator responsibilities include installation of server software, configuration of database servers, monitoring and maintaining system health and security, designing backup processes for server and associated data, creation of accounts for all users and assign security, establishing disaster recovery protocol, providing end-to-end technical support and problem resolution, scheduling and performing regular server maintenance, creating database management procedures, evaluation of data analysis models and procedures and creation and / or participation in company's cross-training program.

Education, Experience and Qualifications:

- Bachelor's Degree in Computer Science or Computer Engineering
- 2+ years' professional experience or internship
- Advanced knowledge of database structure and theory
- Experience with MySQL and SQL Server
- Basic understanding of disaster recovery and database backup procedures
- Familiarity with reporting tools
- Familiarity with programming languages C++ and Unity

- PostgreSQL certification preferred
- Ability to work independently with minimal supervision and assistance

Physical Requirements:

Work may involve sitting or standing for extended periods of time. Position may require typing and reading from a computer screen. Must have sufficient mobility to include but not limited to: bending, reaching, climbing, turning, and kneeling to complete daily duties in a timely and efficient manner. There is a possibility that due to parking availability and location of work, walking moderate to long distances may be required. Must be able to lift, move, and transport items frequently over 15 pounds.

Work Environment:

Generally, work is conducted in an inside office environment, but may also involve some outside work depending on the task. The inside environment may be a cubicle or office with close quarters, low to moderate noise, and bright or dim lighting. Outside work may include various environmental conditions including warm and cold climates and while on travel, some work may be conducted outside for military customers.

Other Essential Functions:

Employees may be required to travel for work related tasks but limited.

T&W Operations is an equal opportunity employer. The company will provide equal opportunity in employment to all employees and applicants for employment. No person will be discriminated against in employment because of race, religion, color, sex, age, national origin, disability, genetic information, military status, sexual orientation, gender identity or any other characteristic protected by applicable federal or state law. This policy applies to all terms, conditions, and privileges of employment and all policies of the company

At the time of hiring, employees are required to sign a written statement acknowledging that they are employed at the will of the company and are subject to termination at any time, for any reason, with or without notice, and with or without cause. Employees who do not have an individualized written employment contract or a collective bargaining agreement are employed at the will of the company and are subject to termination at any time, for any reason, with or without cause or notice. At the same time, these employees may terminate their employment at any time for any reasons.
